10 start-ups to participate in the International Cybersecurity Acceleration Program

¿Will you be one of them?

In 2017 you will have the opportunity to accelerate the development of your start-up. We look for teams committed to a business project in cybersecurity with commercialization potential, market oriented and international projection.

THE SELECTED STAR-UPS WILL RECEIVE...

- ✓ Training, mentoring and linking with investors.
- ✓ Intensive support focused on attracting investments and first customers.
- ✓ Opportunity to present the business project in the final Demo-day.
- ✓ Cash prizes to accelerate their development.
