AYUNTAMIENTO DE LEÓN

ENISE (International Information Security Meeting)

Has become the leading international event in Spain for the cybersecurity industry. The eighteenth edition will connect key professionals in the sector, offering different networking spaces and a programme full of activities.

ENISE activities

Program of conferences and round-table discussions offered by the industry leaders

The central stage of **18ENISE** will host speeches and round-table discussions of the sector's most prominent profiles in the public and private spheres.

Exhibition area

More than 100 businesses and agents of the national cybersecurity ecosystem will have their own space, where they will present their goods and services, holding demos and lectures in specially set up speaker corners.

21,22&23
OCTOBER 2024

PALACIO DE EXPOSICIONES Y
CONGRESOS DE LEÓN, SPAIN

Networking opportunities
Engage with other professionals, share ideas and establish invaluable connections in the cybersecurity field.
