When? July 5 - 15, 2022

Where? Leon, España

100% in-person format

If I have already submitted my application to attend as a participant, when will I get a response to my application?

As of May 18, applications will be analyzed and a pre-selection will be made and checked with the competent institutions of the applicants.
In the event that you are selected, the GS/OAS and INCIBE will contact you as of May 25, 2022.

If the event will be held in person, can I attend the virtual sessions?

This year there will be no virtual sessions available, so all those selected must attend the event in person.

If I am selected as a participant, do the organizers cover the costs associated with the event?

The cost of the training sessions and instructional materials will be fully covered by the organizers for those selected. However, each person selected is responsible for covering all expenses and costs associated with the event, including but not limited to lodging, transportation, meals, among others.

If I am selected as a participant, does that mean I will be able to attend all the sessions of the event?

Selected participants will only be able to attend the plenary sessions and activities open to all selected participants. However, each participant will have a track defined according to his/her profile and this will be the one he/she will be able to attend exclusively.

I have an interesting paper on cybersecurity, how can I know if it is eligible for the program and participate as a speaker?

The requirements for participation as a speaker can be consulted through the following link:

https://www.incibe.es/sites/default/files/paginas/summer-bootcamp/sbc22/formularios/csbc22_callforpapers_en.pdf

If I am selected as a speaker, do the organizers cover the costs associated with the event?

The organization will cover the selected speaker's travel and accommodation costs for the development of the presentation during the CSBC 2022.

When will the event agenda be available?

The agenda for the event will be available in the first weeks of June and will be published on the website <https://www.incibe.es/en/summer-bootcamp>
